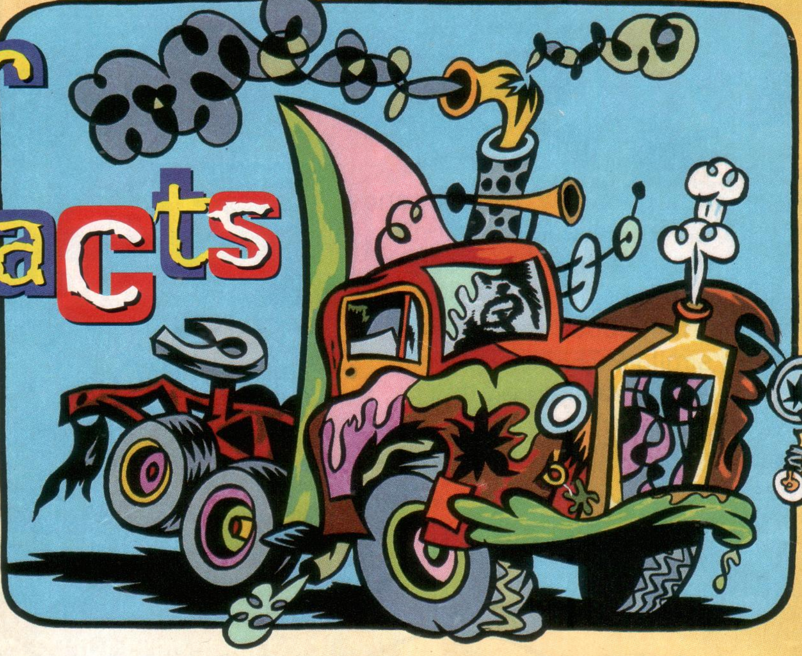
Summer Fun Facts

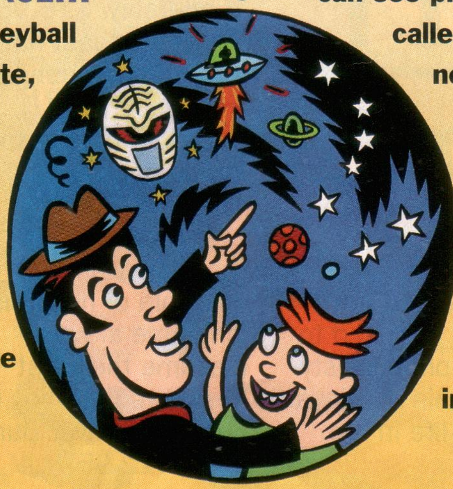


ANYONE WHOSE PARENTS DRIVE a piece of junk, listen up! Things could be worse. You haven't seen a real klunker until you've visited the world-famous Ugly Truck Contest in Pelican Falls, Minnesota. Every year on July 8th, owners drive their gnarly rigs to this small town hoping their truck will be the ugliest! Here's what it takes to gross out the judges:

- Rust, inside and out
- A smelly interior (YUCK!!)
- A multi-colored exterior (oooh, classy)
- Mouse nests in the engine are a big plus

HERE'S A COOL SCOOP: July is National Ice Cream Month. Did you know that last year the average American kid ate almost 24 quarts of ice cream and other frozen treats? Who wants to try and break the record?!!

SET, SPIKE, IN YOUR FACE!!! This year, the sport of volleyball turns 100 years old. To celebrate, YMCAs around the country will hold Family Volleyball Day on August 12th. Whether you're a beginner or a pro, you'll have a blast playing in the summer sun. Ask your mom or dad to contact the local YMCA for more information.



AUGUST IS FOOT HEALTH MONTH... Maybe it's a good time for Eye Guy to ask a doctor why he only has three toes!

NOW THAT YOU'VE CHECKED OUT YOUR FEET, LOOK UP! On August 10th a full moon will light up the night sky. Did you know it takes the moon about 27 days to go around the earth once? How many times this summer will the moon make this trip? (answer below)

EVER HEARD OF A "NEW MOON"? During a new moon the sky is dark and you can see pictures in the sky made of stars, called constellations. On August 26th a new moon occurs, so you can see the Big Dipper. To find it, look up and find the brightest star, the North Star. In summer, the Big Dipper is to the left of the North Star. The handle of the dipper points up, and the cup points across the sky at the North Star. See what other pictures in the sky you can find!

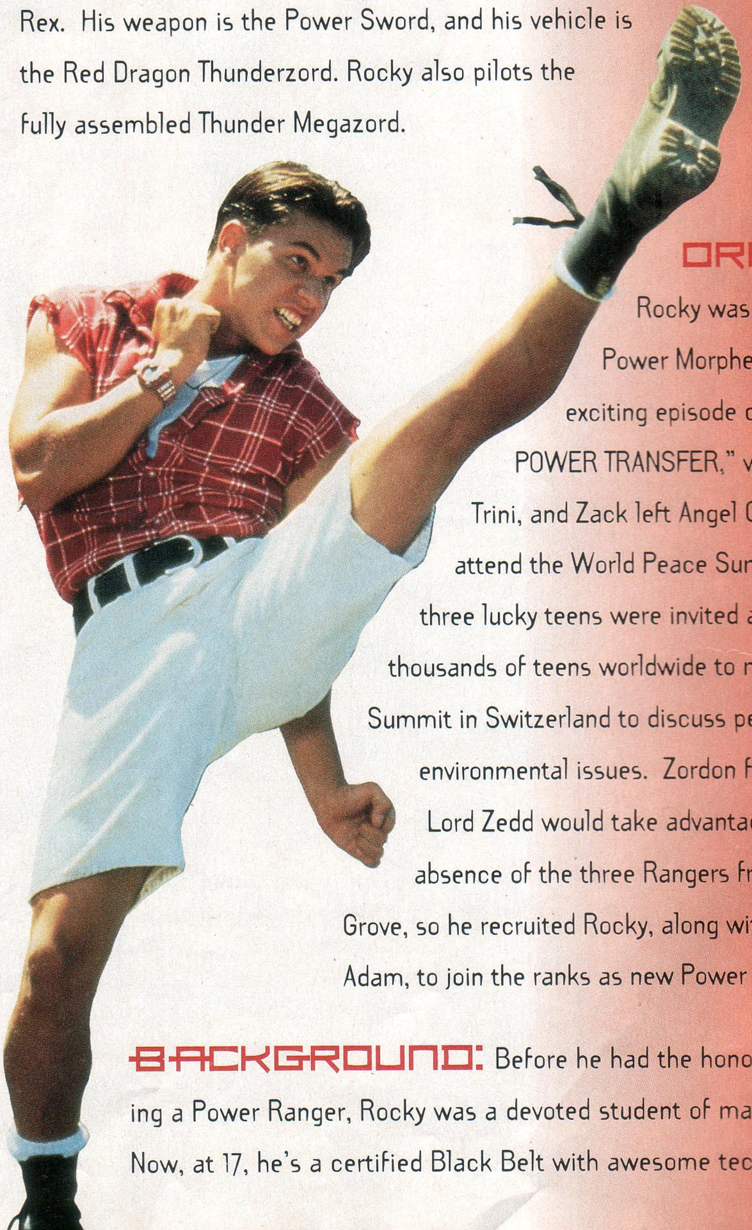
SPOTLIGHT ON...

THE NEW RED RANGER

REAL NAME: Rocky

PERSONALITY: Rocky is very likable and outgoing. His good looks and charm put him at "11"on a scale of 1 to 10 with girls! But Rocky doesn't let his popularity go to his head. He's an open and giving guy who is passionate about teaching karate to kids.

ASSETS: The Power Rangers rely on Rocky's superb karate skills and quick mind. As The Red Ranger, he draws his power from Tyrannosaurus Rex. His weapon is the Power Sword, and his vehicle is the Red Dragon Thunderzord. Rocky also piloted the fully assembled Thunder Megazord.



ORIGIN: Rocky was given his Power Morpher in an exciting episode called "THE POWER TRANSFER," when Jason, Trini, and Zack left Angel Grove to attend the World Peace Summit. The three lucky teens were invited along with thousands of teens worldwide to meet at the Summit in Switzerland to discuss peace and environmental issues. Zordon feared that Lord Zedd would take advantage of the absence of the three Rangers from Angel Grove, so he recruited Rocky, along with Aisha and Adam, to join the ranks as new Power Rangers.

BACKGROUND: Before he had the honor of becoming a Power Ranger, Rocky was a devoted student of martial arts. Now, at 17, he's a certified Black Belt with awesome technique!

The show was very cool! The Power Rangers were up against Lord Zedd, Rita Repulsa, and Lumitor, a new villain who is part lion and part fire. Then when the Power Rangers were in trouble, Alpha 5 asked the audience to help them out by screaming.

During intermission, they picked out their favorite Power Rangers and wondered "What if..."

Imagine, you guys! What if we could meet the Power Rangers?
Kimberly's so cool! I wish I could meet her!

MORPHIN MAIL

Hey, Power Ranger fans! How do you like our magazine? What would you like to see in our pages? We want to hear from you! Here are some letters we received from fans just like you . . .

Dear Power Rangers,

Thank you for spotlighting my alter ego, Lord Zedd, in the Winter issue, and for the pictures of some of the monster creations that wreak havoc on Angel Grove. The magazine looks great!

—Robert Axelrod (*The Voice of Lord Zedd, Two-Headed Parrot, and Finster too!*), Sherman Oaks, California

Dear Power Rangers,

I just got two of your magazines. I think they are great. I love them. And what I would like to see more of in your magazine is the comics of the Power Rangers and those posters that have every Power Ranger on them. Also I love your show. I think it's terrific. And you are *all* my favorite Rangers.

—Lois Jones, New York, New York

Lois — we're glad you like the comics. Check out the new one on page 21.

Dear Power Rangers,

I really like your magazine. I like Kimberly because she is funny. And I like Bulk and Skull. The White Ranger is totally awesome. I have one question. Which one of you is the youngest (in real life)? And which is the oldest?

—Alex Smith, N.D.M., Iowa

Alex, the youngest of the group in real life is Adam, the Black Ranger. The oldest is Billy, the Blue Ranger.

Dear Morphin Mail,

Hello, we are two mega Power Rangers fans from England. Our friend from the States sent us a copy of the premiere issue. It's just terrific. We hope to join the fan club.

We really hope the *Mighty Morphin Power Rangers Magazine* will be available in England. There are a lot of Power Rangers fans over here.

—Maureen and David Neighbour, Kent, England

Maureen and David, we hope to have the magazine available internationally very soon.

Dear Power Rangers,

I'm seven years old. I love your magazines. I've got two of your magazines so far. I like your new Zords, especially the White Tigerzord. Also, how do I join the Power Rangers club?

—Jennifer Oakes, London, Kentucky

Jennifer, it's easy to join the Power Rangers Fan Club. Have a parent or guardian call (800) 667-7321.

BY NOW YOU MUST HAVE SEEN THE AWESOME *MIGHTY MORPHIN POWER RANGERS: THE MOVIE*. IF NOT, WE KNOW YOU'LL CHECK IT OUT SOON. *MIGHTY MORPHIN POWER RANGERS MAGAZINE* WENT BEHIND THE SCENES AT THE MAKING OF THE MOVIE IN AUSTRALIA. HERE'S WHAT WE FOUND OUT ON THE MOVIE SET.

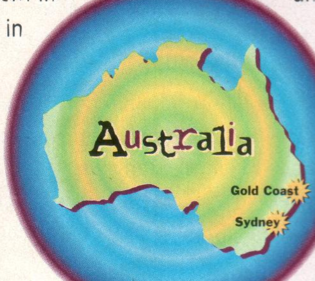
What's the Story: In the movie, the Power Rangers fight their greatest battle against the ultimate evil enemy — the purple and slimy Ivan Ooze.™ But never fear! The movie begins with the Power Rangers defeating Ivan Ooze and his henchmen, the Oozelets. But evil Ivan manages to destroy the Command Center and the Power Rangers' amazing powers! In order to save the universe from Ivan Ooze, the Power Rangers must learn an even greater new power — the ancient martial art of Ninjetti. (See them in their Ninja gear in our exclusive movie pullout in this issue!)

The Land Down Under: The Power Rangers spent three months in Australia filming the movie. What did they like best about "the land down under"? Rocky, the Red Ranger (Steve Cardenas), says, "One of the best things about coming to Australia and working on the movie was that it brought us all closer together—the new Power Rangers, like me, and the original ones."

"Shooting in Australia was different . . . . The food is different. They drive on the wrong side of the road . . . . I loved it!" says Billy, the Blue Ranger (David Yost).

For most of the Rangers, this trip to Australia's Gold Coast was their first time away from the USA. They weren't used to the Australian "bush tucker." Luckily, Australia had something that made the Rangers feel right at home: McDonald's. Rocky and Adam are especially big McDonald's hamburger fans and ate them as much as possible.

There was a McDonald's across from the studio where the movie was being filmed. One day, the Rangers went over in their Ninja outfits and ordered lunch! Wow—how would you like to eat burgers and "chook" with the Power Rangers?



Morphin Time: The Power Rangers morph into special outfits for the movie. The movie suits are like armor—they have to be fitted exactly to the Rangers' muscles, so no one else can wear them, not even their stunt doubles. Each Power Ranger has two suits, and their stunt doubles also have two.

The new Power Ranger suits are also very heavy and hard to

e Scenes

Power Rangers: THE MOVIE

move in. They weigh over 25 pounds — that's like carrying around your one-year-old sister! The new Ranger suits and Ninja outfits have so many straps and buckles it takes over half an hour to put them on. Well, that's show biz . . .

The Ooze-iest Villain of All, Ivan Ooze: Ivan Ooze is made of gooey purple ooze that he throws everywhere. He makes the ooze to give to kids because it has a special power. This is no ordinary ooze—it makes parents disappear!

Everyday, it took the makeup people four hours to put the oozy makeup on Ivan and his Oozemen™ and two hours to take it off. That added an extra six hours to their already long 12 hour workdays on the set. Was it worth it? Just check out the Oozeman's pretty face!

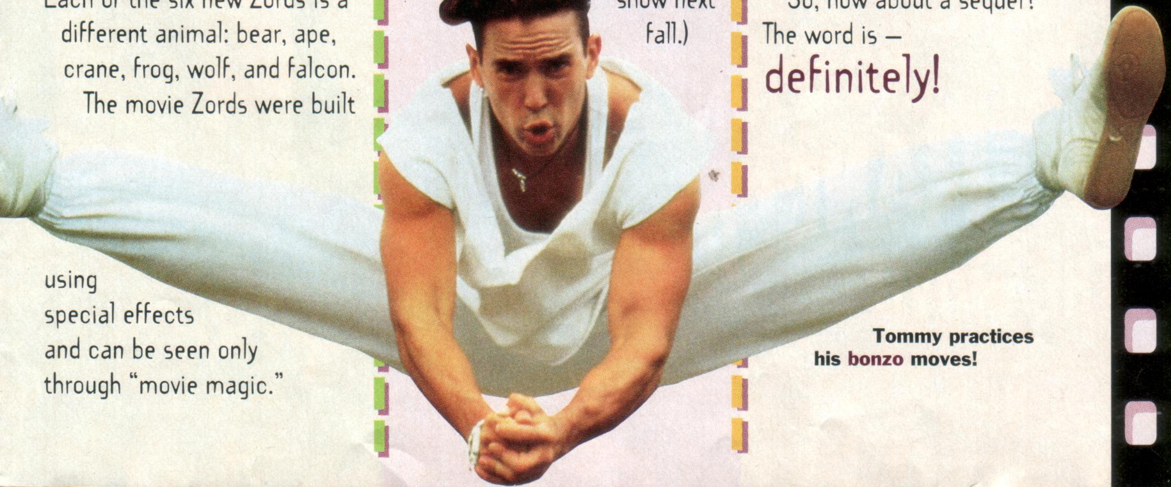
New Zords: In the movie, you'll see the Power Rangers in the cockpits of their new Zords — awesome! Each of the six new Zords is a different animal: bear, ape, crane, frog, wolf, and falcon. The movie Zords were built using special effects and can be seen only through "movie magic."

Oozeman!

The Rangers' new animal Zords will combine into a brand-new Ninja Falconzord for the "bonzo" ending! But we'll keep *that* a surprise! (Watch for the new Zords and movie villains to appear in the TV show next fall.)

With new Ninja powers and new massive Zords, the Power Rangers are more than ready to take on Ivan Ooze and his villainous beasts, the Ectomorphicons called Hornitor and Scorpitron. It's a totally morphinomenal movie!

So, how about a sequel? The word is — definitely!



Tommy practices his bonzo moves!

Heard on the Set

TOMMY, THE WHITE RANGER (JASON FRANK): "BRUCE LEE IS ONE OF MY EARLY REAL-LIFE HEROES. I ALSO REALLY ENJOY THE COMIC BOOK HEROES, THE X-MEN."

KIMBERLY, THE PINK RANGER (AMY JO JOHNSON): "THE MOVIE IS A CROSS BETWEEN *STAR WARS* AND *THE WIZARD OF OZ*."

"RANGER FOOD" WAS THE NAME THEY GAVE THE POWER RANGERS' COOLER OF FOOD ON THE SET. INSIDE THEY HAD FROZEN CANDY BARS FOR THE GUYS, RICE CAKES AND NUTS FOR THE GIRLS.

AISHA, THE YELLOW RANGER (KARAN ASHLEY), TOLD US THAT TO PREPARE FOR THE ROLE, SHE WORKED ON HER KARATE MOVES IN FRONT OF THE MIRROR.

DO YOU RECOGNIZE IVAN OOZE? HE PLAYED THE VILLAIN BELLOCH IN *RAIDERS OF THE LOST ARK*!

ADAM, THE BLACK RANGER (JOHNNY YONG BOSCH): "THE MOVIE HAS JUST ABOUT EVERYTHING KIDS COULD WANT: MONSTERS, KARATE, AND GREAT VILLAINS!"

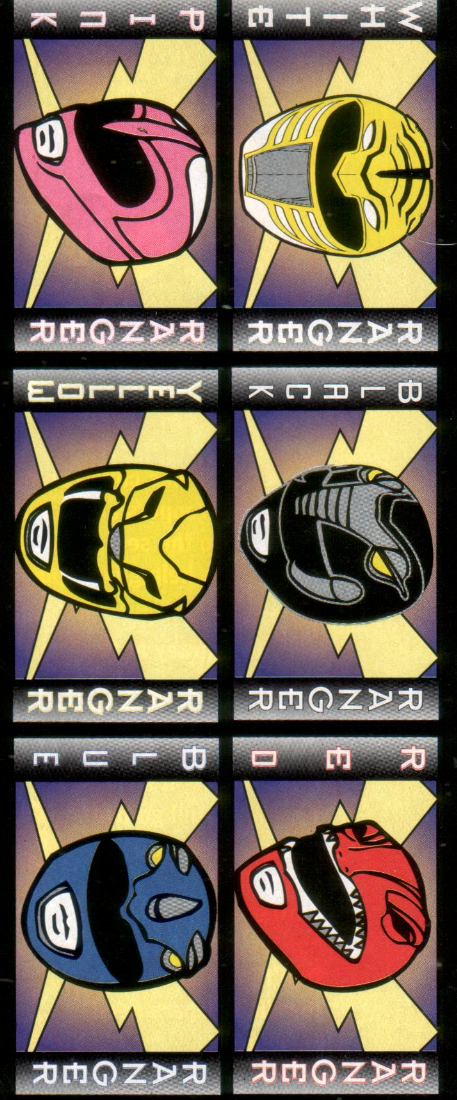
BEAT LORD ZEDD TWICE AND YOU WIN

Help!!
Lord Zedd has called all of his evil henchmen to defeat the Power Rangers once and for all. Can you stop him?

LORD ZEDD'S MAD MONSTER MASH



PINK RANGER
WHITE RANGER
YELLOW RANGER
BLACK RANGER
BLUE RANGER
RED RANGER

What you'll need:
A pair of scissors
Any coin

Directions:
- Ask an adult to help you cut out the Power Ranger pieces.
- Stack all the Power Ranger pieces on the space labeled "Angel Grove."
- Begin the game with the White Ranger.
- Move Tommy through the "Z" by flipping a coin:
- If you flip heads, Tommy defeats the creature and can move to the next space.
- If you flip tails, he has been defeated and is out of the game.
- When you lose a battle, choose the next piece from the stack and continue from where the previous Power Ranger was defeated. Flip the coin again, and continue the adventure.

Note: Six spaces on the board allow you to rescue defeated Power Rangers. Return a rescued Power Ranger to the stack of pieces on the "Angel Grove" space. That Power Ranger may re-enter the battle if necessary.

If you can defeat Lord Zedd—even if it's with your last remaining Power Ranger— you win! Good luck!
